Description:

Review "A cast of interesting and believable characters and a plot that kept me turning the pages, wondering what was going to happen next. I also enjoyed the author's take on technology and the political landscape of the future. Definitely recommended!" - **Michael R. Hicks**, bestselling author of *In Her Name* and *Season of the Harvest*.

* **Second Round Qualifier in the 2011 Amazon Breakthrough Novel Contest!**

About the Author Steve Umstead has been the owner of a Caribbean & Mexico travel company for the past ten years, but never forgot his lifelong dream of becoming an author. After a successful stab at National Novel Writing Month, he decided to pursue his dream more vigorously...but hasn't given up the traveling.

Steve lives in scenic (tongue-in-cheek) New Jersey with his wife, two kids, and several bookshelves full of other authors' science fiction novels. More information is at SteveUmstead.com, and you can always find him on Twitter (@SteveUmstead).
