Description:

Review "The hidden history of Old England, lovingly written by Kipling for his own children, is coupled with a brilliant reading to make this one of the premier family listening events of the year. The story has everything listeners could want: enchantment, high adventure, battles, intrigue, all wrapped up in romantic poetic language . . . brought exquisitely to life by [Wanda McCaddon]." -- *AudioFile*

"[Wanda McCaddon] . . . has the requisite British accent and very good judgment as to how to make the tales exciting yet believable." --*Wilson Library Bulletin* --This text refers to an out of print or unavailable edition of this title.
